HELP NEEDED ALL MEMBERS!!!

EVEN If you cannot do the actual rooftop work your presence is important. As a follow-up to my email from last week here are the details:

We are starting at 9:00 AM at Cherry Ridge. Use the main park entrance off M-24 and go all the way to the back of the park. Once at Cherry Ridge, there will be two pavilions. Meet at the one with the stripped roof.

The DNR has 2 nailers and an air compressor. However, if anyone has a nailer and/or compressor we could use extras.

Again, we get it, not everyone in our club can do the work, but it means a lot to have you show up for the little things you can do! Even for the moral support... SO BE THERE!!!!

This annual Bald Mountain Involvement Day is a huge deal for our club and our great relationship with the State, the park managers, and is another reason our club is so awesome and things run so smooth.

Thanks in advance for your participation. I look forward to seeing you there.

If you have any questions email myself or John Billinger, at vicepresident@skymasters.org.

It's another beautiful day at Skymasters.
