The 66th annual Toledo R/C expo has been cancelled for 2020.

We do not believe it is feasible to reschedule for this year. This was a difficult decision to make. After 65 very successful and enjoyable years "The Show Must Go On" is in our blood. However, because of the Corona scare and the many exhibitor cancellations we have received, we don't feel that we can provide the quality show that you all have come to know and expect.

More importantly, it is of the utmost concern that our exhibitors and guests are safe from any potential exposure and illness, we just can't predict what the weeks to come will produce. It just isn't worth it to risk the health of any of our R/C family.

Rest assured that we will soon be planning our 2021 show, that show will be better than ever. We hope to see you all in April 2021, as they say "The show must go on".
