4 Days  
of Flying**

Register Online "NOW" at <http://www.skymasters.org> for \$25

#### Seven Lakes State Park has great camp sites.

Last year we had over 30 pilots camping at the park. Join the Fun!

Sites features: concrete trailer pads, 20/30 Amp, fire pits & clean restrooms. Another benefit is that registered pilots can fly with small electric planes in the evening at Sand Lake located in the camp ground.

For camping reservations call 1-800-447-2757

Note: If you register for a camp site you still have to register for the float fly.

DNR Recreational Passport & current AMA Required

\* Thursday Flying will begin after event setup has been completed.

\*\* Weather permitting.
